NOTES:

- Specifications presented are from manufacturer and owner information.
- Empty Weights include an empty magazine.
- Fully Loaded weights are based on the average weight of a round of that caliber, includes a round in the chamber, a fully loaded standard magazine, and are rounded to the nearest full ounce for ease of comparison.
- All pistol slides are stainless steel except Kel-Tec which are carbon steel and Beretta where the Matte and Blued slides are carbon steel, the Inox slide is stainless steel.
- Many pistols may have other options and accessories available. See manufacturer's web sites for the latest information.
- Some pistols have specific ammunition restrictions and/or limitations. See manufacturer's web sites for more information.
- The "ghost hand" shown is a men's glove size large with the first finger segment of the index finger on the trigger.
- (???) means unknown, (?) means unconfirmed.
